Please join us at the SARES Quarterly Meeting, Wednesday, **March 22**, from 7:00 PM to 9:00 PM at the Public Safety Classroom, 700 All America Way, Sunnyvale. **Jim Oberhofer, KN6PE**, the author of "Outpost," a packet software program designed to support the amateur radio community during an emergency response will be the speaker. His presentation will include an overview of Outpost, and how packet can be used to support jurisdictions during the emergency response phase of a disaster. Jim is a big proponent of digital communications and its role during a disaster. Jim received his first license in 1980, and has been affiliated with the Cupertino Amateur Radio Emergency Service (CARES) since 1993. Jim can be contacted at kn6pe@arrl.net.
